### Talented Tekes Urged To 'Show Their Stuff' At Annual Picnic

The Recreation committee reports that plans for the annual Tek picnic are well underway. The committee meets weekly with Dick Falk, picnic coordinator, to organize the scheduled picnic activities.

During last week's meeting a Tek talent show was proposed, to replace the professional entertainment contracted last year. The planned display of talent would include vocalists, instrumentalists, comedians, barbershop quartets and folk singers, as well as variety groups. Any group appearing in the talent show must include at least one Tek employee.

So that the recreation committee will know the degree of employee interest in a Tek Talent show, Tekes who are willing to participate or organize acts should call Russ Bassindale, chairman, ext. 575, by Tuesday, May 8.

### Scope Textbook Available At Customer Service

The textbook, "Typical Oscilloscope Circuitry," written by Eddie Richmond (IMSE specs writer), is now available through Customer Service.

Dudley Gaylord (Manuals), publisher of the book, said prices for the text are \$2 per copy for in-plant use and \$5 per copy for personal use.

The book may be obtained by calling Gert Peterson, extension 485, or Fred Hart, extension 320.

### Personnel Changes Made In Domestic Finance

Al Swanson (Controller) announced the following changes in the controller's area:

Bill Robinson, former unit manager of the Systems area of Cost Services, is the new budget director. He reports directly to the controller.

Dick Carnahan is now unit manager of the Systems area and John Stember is unit manager of the Standards group of the Cost Services department. Dick and John both report to Bill Swift.

### Discount Offered On '7 Wonders'

Arrangements have been made for Tektronix employees, their families and friends to attend the Lowell Thomas Cinerama production "Seven Wonders of the World," Thursday, May 24.

At a special group rate, all seats for this performance will be reserved. Tickets must be ordered through the Hollywood theatre, 4122 N.E. Sandy blvd., by Friday, May 18. Send check or money order made payable to the theatre (with a self-addressed stamped envelope) and your tickets will be mailed back to you. The special price is \$1.50; order forms are available at all reception desks.

### Tek Golf Team Wins Trophy

A 14-man team from the Tektronix Golf club captured the rotating trophy from the Department of Interior in a match last Sunday at Glendoveer Golf course, winning 22½ to 19½. The win was the first in three years of annual competition with the Interior Department team.

Kevin Van Hoomissen (Domestic Planning) and Bill Bessey (Education & Training) tied for low net with '69's. Others on the Tektronix team were: Ross Hood (Facilities), Jim Zika (Domestic Planning), Derald Thornton (FMD Staff), Zane Mulhausen (Facilities), Wayne Thomas (Finals, Plant 3), Bill Cronin (Accounting Services), Roy Harden (CRT Engineering), Ralph Show (Manuals), Hal Krouth (Capacitors), Laszlo Pasztor (CMI), Arlan Madsen and Neill Martin (both of GSI/MP Inspection).

### Dick Millington Wins Local Jaycee Contest

Dick Millington (FMQA) will represent the Portland Junior Chamber of Commerce in the Jaycee Speak-up contest at the State J.C. convention in Salem this weekend. An active Jaycee, Dick defeated nine local contestants at the Portland Jaycee elimination contest April 18. His topic — "That faith in God gives meaning and purpose to human life" — is drawn from the Jaycee Creed.
