

Easter Bonnet

BASEBALL CLUB met Tuesday afternoon and made final arrangements for the 1962 season. Chuck Duquette (Finals, Plant 3) is manager this year; Bill Higley (Stock) is coach.

Employee Succumbs

The beneficiary of Harry King (Quality Coord., Plant 1) was presented with a \$1000 check from the Employees' Beneficiary Assistance Fund following Harry's death Wednesday, April 11.

NOT A PARIS ORIGINAL, but it served its purpose. Don Whitmire (Grounds Maintenance) forgot his hat Monday and, said Don, "My head was getting hot." So he improvised and designed this hot-weather headgear with a copy of Tekweek.

LETTER PERFECT—Sally Jorgenson (Manuals) was responsible for the type setting and composition of the textbook, "Typical Oscilloscope Circuitry," which will be released by Tektronix soon.

Circuitry Text To Be Released

Within several weeks, a textbook entitled "Typical Oscilloscope Circuitry" will be released from the Manuals department. The book is designed to be a training aid for Tektronix employees and customers.

"We have had many customer requests for purchase of the book," said Herb Yates (Manuals), publisher. "We have already applied for re-publication and translation rights in South America."

The book was printed at Tektronix and bound in Portland. Eddie Richmond (IMSE Specs Writer) is author of "Typical Oscilloscope Circuitry" and Dudley Gaylord (Manuals) was supervisor of the project.

The 328-page text has 236 hand-drawn illustrations and some photographic illustrations.

Pinfallers Capture League Championship

The Pinfallers team of the Tek Men's bowling league won the league championship two weeks before the end of league play. Team captain Lou Lambert (Plant 2 Test) and the following team members earned the championship:

Roger Tippet (Plant 2 Test), Wayne Arnson (Plant 2 Test), Dan Hutchinson (Sheet Metal), Dick Stein (Plant 2 Test) and Toru "Tom" Honma (Plant 2 Test).

Bonus Books Sent For 'Century 21'

Employee response to advanced ticket sales for the Seattle World's Fair was very successful, reported Tom Williams, Plant Supporting Services manager. Nearly 2,000 adult bonus books and 325 children's books were sent to Tek employees and their families—about \$12,500 worth of tickets.

Pat Richardson (IO Bldg. receptionist) and Vurda Shelley (Information Desk) arranged the advanced ticket sales. The 'Century 21' exposition opens tomorrow, April 21, in Seattle.

Softball Turn-Out Encouraged

According to Doreen Dwigans (Finals, Plant 1), women's softball coordinator, the Tek Women's Softball team will practice every Monday afternoon at 4 o'clock at the Hall Street park.

All women employees are encouraged to turn out for the sport. Equipment is furnished.

Switch Department Joins IE's Accessories Design

According to Bill Polits, Instrument Engineering manager, the Switch department has been incorporated with the Accessories Design department of Instrument Engineering.

Henry Fritzler, Switch Department head, will report directly to Lang Hedrick, manager of Accessories Design. Technical questions and requests for switches should be addressed to Henry as they were in the past. Administrative and scheduling matters should be handled through Lang.

There will be no change in the physical location of the two groups.
